**News From Ms. Tori (School Nurse)** - A random act of kindness is a non premeditated, inconsistent action designed to offer kindness towards the outside world. The phrase "practice random kindness and senseless acts of beauty" was written by Anne Herbert on a placemat in Sausalito, California in 1982.( Wikipedia)  
 Acts of kindness make you feel good and those you have been kind to feel good. Be safe, be well and enjoy your summer break.
