Length of Contract	204

This job description in no way states or implies that these are the only duties to be performed by the employee occupying this position. Employees may be required to follow other job-related instructions and to perform other job-related duties as requested, subject to all applicable state and federal laws. Certain job functions described herein may be subject to possible modification in accordance with applicable state and federal laws.

Job Summary

The Student Services Coordinator is responsible for the overall coordination of the data, systems, and practices of the Equitable Multi-Level System of Supports (EMLSS) framework that encompasses the broad range of all services within the student services department. The Student Services Coordinator focuses on providing a continuum of education options and supports for students who need alternative education programs in the District.

Essential Job Functions

- Identifies areas of improvement with alternative education in the District.
- Completes an annual report to be shared with all stakeholders.
- Develops, coordinates, monitors, and evaluates criteria, procedures, guidelines, and plans for entry and exit to and from alternative education programs.
- Collaborates with the regional Technical Assistance Center.
- Assists with data collection and data-based decision-making processes.
- Establishes and supports implantation of alternative education programming, including curriculum development, behavioral assessments, and allocation of resources.
- Participates in regional, statewide, and national trainings that support alternative education pathways for students.
- Coordinates expansion and sustainability of practices district wide.
- Provides technical assistance on school wide data analysis.
- Provides and participates in professional development.
- Participates in District Coordinator meetings.
- Develops an annual budget for sustaining the student services framework.
- Collaborates with stakeholders to identify professional learning needs of school staff, district personnel, family, and community partners.
- Supports the identification and utilization of strategies to increase student success at alternative placements.

Ancillary Job Functions

- Stays current in field through professional readings, workshops, conferences.

- Participates in budget development and management process at the request of the Director.
- Participates in grant writing activities at the request of the Director.
- Performs related duties as assigned.

Required Qualifications – Required qualifications to effectively perform the job at the time of hire. An equivalent combination of education, training, and experience will be considered. Additional requirements and/or substitutions may be requested and require the approval of HR.

- Bachelor’s degree with experience in PreK-12 instructional or student service programs.
- Wisconsin certification in teaching, related services, school psychologist and minimum of three years of experience in position.
- Experience planning and conducting professional development/training.
- Experience in data-based decision making.

Preferred Qualifications – Highly desired education, training, and/or experience that may be helpful in performing the job, if applicable.

- Master’s Degree in education or related field.
- Possession of a Wisconsin Director of Special Education (80) or Principal (51) license.
- Experience working with students and staff in alternative educational settings.
- Demonstrated leadership and project organizational skills, (planning, implementing, evaluation).
