

Sick Child Guidelines for the 2024-25 School Year

In an effort to maintain the good health of all of our students, please refrain from sending your child to school if they are sick. This will reduce the overall number of illnesses among our students.

If a child exhibits any of the following symptoms at school, a parent/guardian/emergency contact will be notified to come and pick up the student:

- Fever- Temperature of 100.4°F or more
- Diarrhea
- Vomiting
- Persistent coughing
- Draining or spreading rash

Please keep your child home if they currently have or have had any of these symptoms in the last 24 hours.

If you have any questions about these guidelines, please contact your child's school nurse.
