

## Northstar PTSA

### What is Northstar PTSA? Who are we? What do we do for Northstar?

The mission of the Northstar Parent Teacher Student Association (PTSA) is to be advocates for our children and their safety, to model the core values of the school and community, and to enhance our children's education by building a partnership between families, educators and the community.

Northstar's PTSA is a vibrant and active group of parents, grandparents and caring adults who come alongside to support Northstar students and staff. A non-profit organization, Northstar's PTSA pays for and organizes school programs and events as well as assists with purchasing items for our school. We are also part of a nationwide community of parents, teachers, and child supporters who help to influence laws that effect children in public education.
