Note from Principal Laurie Haus

Dear Families,

It feels like spring, but we are planning for summer! Please consider summer programming (summer school) for your child. If your child will be attending one of the ECASD (Eau Claire Area School District) elementary schools in the fall, there will be a three-week half-day summer program that will help them get acclimated and excited for their new school. [2024-Summer-School-Program-Guide 10.pdf \(ecasd.us\)](#) If you have any questions, please call 715-852-3141.

Our March character focus is **cooperation**. One way to think about Cooperation is “working together to reach shared goals.” You are encouraged to talk as a family about how this definition applies to how you work together at home. What are some goals your family shares? At school we will be developing skills that support cooperation like perspective-taking, conflict resolution, and leadership.

We have two special weeks in March. The dress up days are optional.

March 5-7 Read Across America Dress Up Days:

Tuesday 3/5: Hat and Sock Day

Wednesday 3/6: Be your wacky (ex: mis-matched clothes, fun hair, whatever your heart desires)

Thursday 3/7: Wear Your Favorite Color

March 18-21 Letter Celebration Week:

Monday 3/18: Pajama or Comfy Clothes Day

Tuesday 3/19: Wear letters on your shirt (staff will wear positive message shirts)

Wednesday 3/20 Wear a costume day (keep it simple and school appropriate)

Thursday 3/21: Dress Your Best Day!

Wishing you well,

Laurie Haus

District News

Open Enrollment is February 5 through April 30, 2024

What is Public School Open Enrollment?

Wisconsin's inter-district public school open enrollment program allows students and families who don't live in our district to open enroll into the Eau Claire Area School District.

Who May Participate?

Wisconsin residents in grades K-12 may apply to participate in open enrollment. Students in pre-kindergarten may participate in limited circumstances; parents should call the Executive Director of Business Services at 715-852-3010 to find out if their preschool-aged children qualify.

How and When May Parents Apply?

The regular open enrollment application window will be February 5, 2024, through April 30, 2024, for the 2024-2025 school year. Parents may submit online applications beginning February 5, 2024, at the Wisconsin Department of Instruction website at <https://dpi.wi.gov/open-enrollment>. Please call 715-852-3127 or email districtadministration@ecasd.us for more information.

Have you moved out of the district during the 2023-2024 school year?

If so, you must apply for a Tuition Waiver to continue attending the Eau Claire Area School District for the remainder of the 2023-2024 school year. Contact the Enrollment Office at 715-852-3127 or email districtadministration@ecasd.us for an application.

Students Currently Attending the ECASD Through a Tuition Waiver

Students who have moved outside of the district during the 2023-2024 school year and are currently attending school under a Tuition Waiver must apply for open enrollment during the regular application window, February 5, 2024, through April 30, 2024, to continue attending during the 2024-2025 school year.

Current Open Enrollment Students

Students currently attending the Eau Claire Area School District under the open enrollment law do not need to reapply.

Other Information

Students who move into the district after January 2024 and anticipate moving out of the district before the 2024-2025 school year will not be eligible for a Tuition Waiver. Students must apply for open enrollment during either the regular open enrollment or alternative open enrollment period to be eligible to attend the Eau Claire Area School District during the 2024-2025 school year.

School Placement

By completing an open enrollment application, you are applying to attend the Eau Claire Area School District. You have the opportunity to indicate which school your child would prefer to attend; however, the district will determine placement based on space availability.

Questions?

If you have any questions about open enrollment or the application process, please contact the Enrollment Office at 715-852-3127 or email districtadministration@ecasd.us.

React vs Respond

"A reaction is instant. It's driven by the beliefs, biases, & prejudices of the unconscious mind. A reaction is based in the moment & doesn't take into consideration long term effects of what you do or say. A response is based on information from both the conscious and unconscious mind, it takes into consideration the wellbeing of not only you but those around you."

A 90 second pause is the difference between a reaction and a response

Move More Watch Less

Do you wonder if your child is active enough?

1. My child plays outside several times a day or inside where he or she is free to move: **Yes No**
