

Hello Kindergarten Families!

The link for the lesson plans are located below in the email and are posted on the Putnam Heights website. There have been some changes that occurred as to when we are required to make the lessons available to families. Because of these changes we no longer have a Monday through Friday schedule. We now have a Day 1-5 schedule to allow flexibility for family schedules. If you have feedback regarding this, please email us and we will present that feedback to our Leadership Team.

Thanks,  
The Kindergarten Team
