you're AMAZING!

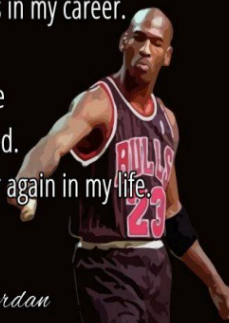

-May-

CRUSHED IT!

I've missed more than 9000 shots in my career.
I've lost almost 300 games.
26 times, I've been trusted to take the game winning shot and missed.
I've failed over and over and over again in my life.
And that is why I succeed.

- Michael Jordan

“ Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time.”

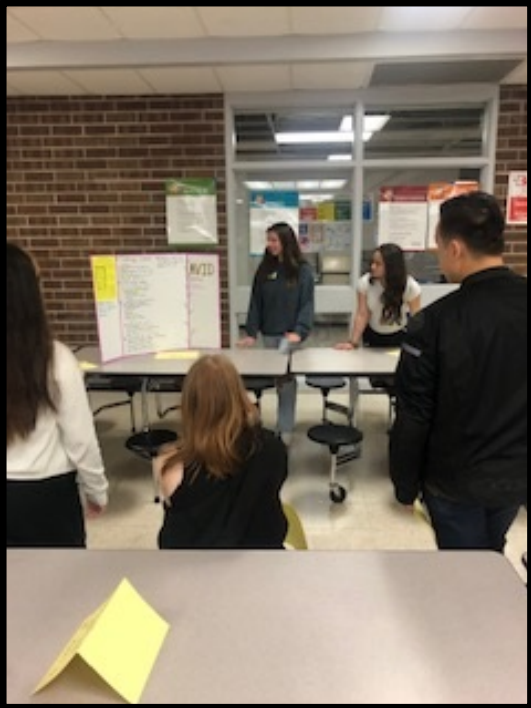

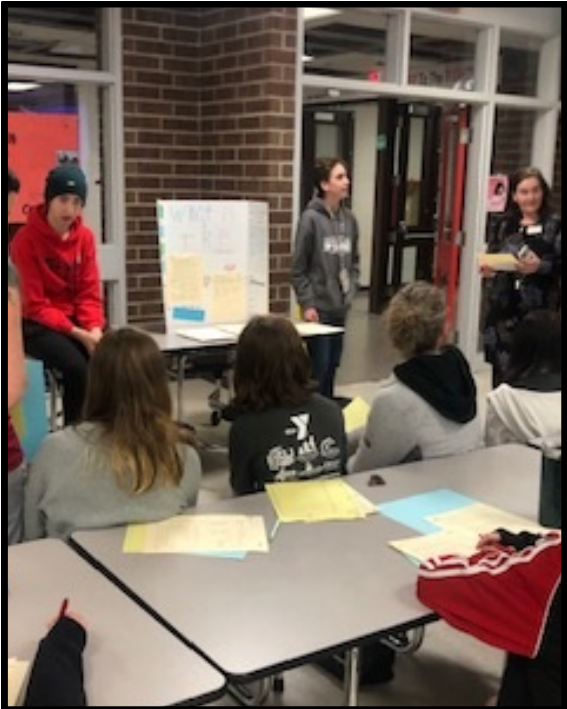

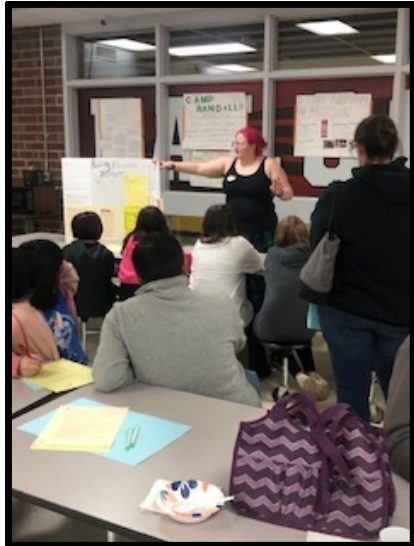

you Rock!

PROUD of you!

Get back up and learn from a mistake; Overcome obstacles; Run toward a fear; Work through emotions; Be determined; End strong

Announcements

Spring is here! May is an exciting time at school and at home with outdoor sports, games, and field trips. Through all of the busy times, the **Royal Credit Union Middle School** team encourages students and families to continue to find time to save.

The last day to save at school before summer break is **Wednesday May 1**. However, don't take a vacation from your great habit of saving money – keep up the good work! Royal student savers can deposit at any Royal office at any time to continue to work towards their savings goals!

If your student will be attending Memorial High School next year, the saving fun continues! Memorial has an in-school branch that is open on **Mondays and Thursdays during lunch**. Be on the lookout for more information in the fall!

We welcome your questions about **Royal Credit Union Middle School** and how you can get your student started saving at school next fall. Please contact me at:

Mental Health Awareness Month

It can be hard to talk about mental health. Get tips on starting the conversation with your friends, loved ones and your community at [samhsa.gov/mental-health/how-to-talk](https://www.samhsa.gov/mental-health/how-to-talk) .

No matter how tough things may seem right now, there is always help available. If you or someone you know is in distress or crisis, call 988 for immediate access to mental health services.

This information is provided by the Eau Claire Health Alliance- Substance Misuse Action Team, which works to prevent alcohol, tobacco, and other drug misuse. Learn more at: www.ECHealthAlliance.org

Children's Mental Health Week is May 5-11, 2024. This year, the Wisconsin Office of Mental Health, makes a special call out to the importance of listening to and connecting with youth. Please review this great resource created by the Great Lakes MHTTC and Wisconsin PATCH (Providers and Teens Communicating for Health) and featuring insights from PATCH Teen Educators. Learn more about ECASD school mental health here.
